

## Vacancy: Test Technician—Temp to Perm

**DEPARTMENT: Operations**

**LOCATION: Shipley, West Yorkshire**

TD&S are seeking key individuals to join the existing test teams engaged in the production of advanced electronics systems and integrated end to end RF & microwave solutions for the Defence, Space and Security markets.

The main aspects of the role are RF alignment, and final acceptance testing.

**Main Responsibilities:**

- To follow company and manufacturing procedures to meet customer delivery requirements.
- To complete test documentation accurately.
- To highlight and solve problems as they arise during the test stage.
- Identify improvement activities and implement solutions where possible.
- Maintain a clean and efficient work area.
- Participate in brainstorming, Kaizen and other activities

**Key Attributes:**

- HNC in Electronic Engineering or equivalent OR a minimum of 2 years experience in an electronic manufacturing environment.
- Experience and full understanding of Quality Assurance procedures.
- Able to adhere and comprehend test documentation.
- Able to use Electronic Testing equipment.
- Understanding of electronic principles and problem solving techniques
- Ability to produce and interpret test data
- Able to test and align electronic components.
- Ability to work and contribute effectively both in a team and as an individual.
- Able to produce work to tight deadlines and work under pressure.
- Must be able to adapt easily and have a willingness to learn.
- Able to read and interpret technical data including circuit diagrams and schematics (drawings and technical publications)
- Sound knowledge of electronic test principles and practices gained from hands on experience
- Methodical and analytical approach to work
- Computer literate including Word and Excel

**How to apply:**

To apply, please send your CV with a covering letter to: HR Department, Teledyne Defence & Space (a division of Teledyne Ltd), Airedale House, Acorn Park, Shipley, BD17 7SW - or via email: [angela.stalker@Teledyne.com](mailto:angela.stalker@Teledyne.com)
